MEMORANDUM FOR:

[REDACTED] Executive Assistant

25X1A

FROM :

[REDACTED] Chief, Current Reporting Group, NFAC

SUBJECT :

Handling of NID Distribution

Effective 1 November we will require all recipients of the National Intelligence Daily to return their copies to CIA within 24 hours, in other words at the time the next day's edition is delivered. This policy, which we intend to adhere to strictly, will tighten significantly our control over the dissemination of the NID. It is necessary if we are to continue to include sensitive information in the publication. I take this occasion to emphasize again that the NID is for named principals only and should not be distributed more widely within offices.

I have asked CIA's Current Reporting Group, which publishes the NID, to make the necessary practical arrangements with recipients to implement the 24 hour return policy. Each recipient will also be notified by the Current Reporting Group as the policy goes into effect.
